Rulemaking 02-01-011  
(Filed January 9, 2002)

**ADMINISTRATIVE LAW JUDGE'S RULING  
REGARDING SCHEDULING OF WITNESSES**

This ruling provides an opportunity for parties to convey pertinent information concerning the scheduling of witnesses to appear for examination in the evidentiary hearings beginning on July 10, 2002. Opening testimony was submitted in this phase of the proceeding on June 6, 2002. Consideration of the order of witnesses will be taken up at the prehearing conference (PHC) currently scheduled to be held on June 18, 2002, at 10:00 a.m. The PHC will also provide an opportunity for parties to raise any additional procedural issues that need to be addressed in preparation for the start of evidentiary hearings.

To facilitate discussion of the scheduling of witnesses at the June 18 PHC, certain preliminary information needs to be provided by parties. Parties are hereby directed to advise the assigned ALJ by 5:00 p.m. on June 14, 2002 of any scheduling constraints in the availability of their witnesses to appear for examination. Parties that are planning on conducting cross-examination of witnesses are also directed to advise the assigned ALJ, by 5:00 p.m., on June 14, 2002, concerning their estimated cross-examination time by witness. Parties with similar interests on cross-examination issues are encouraged to

confer and consolidate their estimates of time to eliminate potential duplication. It is understood that cross-examination estimates may change somewhat pending the nature and extent of reply testimony that is due to be submitted on June 20, 2002. A listing of parties that have mailed sponsoring testimony, together with witnesses is set forth in Appendix A of this ruling. The third column of Appendix A provides space for parties to indicate cross-examination time estimates.

**IT IS RULED** that:

1. Parties are hereby directed to advise the assigned Administrative Law Judge (ALJ), by 5:00 p.m., on June 14, 2002, of any scheduling constraints in the availability of their witnesses to appear for examination.
2. Parties that are planning on conducting cross-examination of witnesses are also directed to advise the assigned ALJ, by 5:00 p.m., on June 14, 2002, concerning their estimated cross-examination time by witness.
3. Parties are to provide the above-requested information by e-mail and to copy the service list by e-mail.

Dated June 11, 2002, at San Francisco, California.
